

Greetings Fellow **TELSTECHs**

The year has once again, flown by. The world continues to change, yet we still carry on. There was a successful Annual Reunion in Brisbane, and another on the horizon; 26th May, 2023.

Every year, after The Annual Reunion in Brisbane, I get inquiries from numerous **TELSTECHs** all over Australia asking if there can be a get-together elsewhere. In the past, there have been several successful instances at other venues. Such as Penrith, Albury, and Laverton.

Consequently, I am proposing a get-together in Perth in January 2023. Staffo is currently seeking a suitable venue. This plan is an effort to satisfy **TELSTECHs** who are unable to attend The Annual Reunion in Brisbane, for whatever reason. Whether that be: distance, finance, health, or timing, et cetera.

The format will be very similar to The Annual Reunion held in Brisbane. There will be **NO COST** to **TELSTECHs**. The plan, should you decide to come, will be the same as The Annual Reunion. Your attendance can be for:

- ☆ **A drink, at your cost;**
- ☆ **Finger food/bar snacks, also at your cost; or**
- ☆ **Just to communicate with fellow [TELSTECHs](#), at no cost.**

With the booking being at no cost, I will not be requiring any payment, but I do require numbers.

So let me know if you will be attending solo, or with a guest or two!!!
